Background²

The ccNSO has submitted its proposed policy on the introduction of a review mechanism for specific decision pertaining to the delegation, transfer, revocation, and retirement of ccTLDs to the ICANN Board of Directors.

The proposed policy can be found in sections 2-6 and 9 of the Board Report: <https://ccnso.icann.org/en/about/board-report-proposed-policy-ccrm-26jun23-en.pdf>

Registries Stakeholder Group Comment

The Registries Stakeholder Group (RySG) supports the proposed policy for a specific ccTLD related review mechanism and commends the ccNSO and the ccPDP3 working group for their efforts in this respect.

Summary of Submission:

The Registries Stakeholder Group (RySG) supports the proposed policy for a specific ccTLD related review mechanism and commends the ccNSO and the ccPDP3 working group for their efforts in this respect.
